CONFIDENTIAL

12. [redacted] Accompanied Carl Duckett, DDS&T, to a briefing of Senator Stuart Symington's (D., Mo.) Subcommittee on Arms Control, International Organizations and Security Agreements, Senate Foreign Relations Committee. (See Memo for the Record).

13. [redacted] Tim Ingram, on the staff of Representative Bella S. Abzug's (D., N. Y.) Subcommittee on Government Information and Individual Rights, House Government Operations Committee, called to say that during his testimony today, Mr. Cole, of the U. S. Attorney's office, had been adamant about the statements made by [redacted] of OGC, regarding the [redacted] case. Ingram feels that there are significant discrepancies between [redacted]'s statements and the testimony of other witnesses (he commented that even Peterson, who works for Kevin Maroney, disputed some of Maroney's testimony) and these discrepancies can only be resolved by having [redacted] appear before the Subcommittee on Thursday at 9:00 a.m. I told Ingram I would talk with our General Counsel people and we would be back in touch with him tomorrow.

14. [redacted] Jim Hyde, of OMB, called on a personal matter to say he would like to have the name and telephone number of our outplacement officer who might provide a list of prospects for a position which Hyde has in mind for a veteran's organization. I told him I would talk to our personnel people and be back in touch with him.
